From the Editor

Kia ora,

One month gone in 2012 already...and we've been busy working on our 2 new holes! The diggers have been in and formed the two greens and surrounds, the greens have been seeded, and now we just need the grass to grow. We are hoping the holes will be ready in 12 months time at the latest.

A big thanks to Tom Campbell for managing the project! If you still haven't had a look at the two new holes, go up and have a look around or, check out the photos on our website.

Ngā mihi nui ki a koutou !! Good golfing everyone!
